## NEWSLETTER ADVERTISING

In our Newsletter we have a "Support our Family" section. This section is to advertise on behalf of our parents, friends and family.

### How it works?

Please send us your business advertisements in PNG-format between the 15th and 20th of each month and we will advertise your business in our Newsletter for free.

Please note that you have to resend a new add each month or let us know if we should rerun your add from the previous month. If we do not receive any feedback from you by the 20th your add will be removed for the following month.
